

# Hold My Breath

## Half Dub Theory

When I look around at all my friends  
And I think of what I said to them  
And I guess for once I can't pretend  
So I hold my breathWhat a perfect chance to start again  
Through the TV set, we don't need it  
And I guess for once I can't pretend  
So I hold my breath, whoa oh oh ohWhen I look around and I am not at home  
From the TV set, you're not alone  
And I guess for once I got no regrets  
So I hold my breathStop looking out for someone else  
When you are inside there is no reason  
And I guess for once I can't pretend  
So I hold my breath, so I hold my breath[Repeat: x4]  
Take some money from the joint account  
I know, I know I know I am running out but  
I found a woman in a photograph  
Good guess, good guess, good guess so  
I hold my breathTake some money from the joint account  
I know, I know I know I am running out but  
I found a woman in a photograph  
Good guess, good guess, good guess so I
