

# I'm Not Alone (Remanix Remix)

Calvin Harris

Can you stay up for the weekend  
And blame God for looking too old  
Can we find all that you stand for  
Has been replaced with mountains of gold  
You cannot dream yourself to notice  
To feel pain and swallow fear  
But can you stay up for the weekend  
Till next year  
God I can't do this any more  
Though I'll be laid down on the floor  
As many feet walk through the door  
I'm not alone  
If I see a light flashing  
Could this mean that I'm coming home  
If I see a man waving  
Does this mean that I'm not alone  
If I see a light flashing  
Could this mean that I'm coming home  
If I see a man waving  
Does this mean that I'm not alone, no  
If I see a light flashing  
Could this mean that I'm coming home  
If I see a man waving  
Does this mean that I'm not alone  
If I see a light flashing  
Could this mean that I'm coming home  
If I see a man waving  
Does this mean that I'm not alone, no
