

The Gate

Belle and Sebastian

In the hope I'll forget I'll wait
It's a chance I'll take oh yeah
In the hope I'll forget I'll wait
For the timeIn the spring I'll watch my step
While the night time passes by
When a smile suits me all alone
I'll be fineThere's got to be a better song to sing
Before I hang upon your shoulder
Telling the truth it may be bolder this time
There's got to be a better song to sing
That makes a lonely one less cold oh
Before I hang upon your shoulder and cryWatching friends playing in the dirt
Feeling hard but feeling hurt
By the sadness that wastes my time
It's a crimeCounting acts which I must add
To collect sad memories
From a past I'd soon forget
Swap or leaveThere's got to be a better song to sing
Before I hang upon your shoulder
Telling the truth it may be bolder this time
There's got to be a better song to sing
That makes a lonely one less cold oh
Before I hang upon your shoulder and cryAt the gate I'll wave goodbye
To the friends that were my lies
And I'll see them off at dawn
Feeling wise, feeling wise, feeling wise
