

# Hit Me Up

## Juicy J, Wiz Khalifa & TM88

Man ever since I did this song with Katy Perry mane you know what I'm sayin, niggas try to say I changed, I'm like, nigga you changed, you greedy, wasn't loyal All these niggas got so much to say

Well call me when they start talkin' money

All these bitches got so much to say

Well call me when they start talkin' money

I say call me when they start talkin' money

Go on hit me up

I say call me when they start talkin' money

Gon hit me up

All these people got so much to say

Well call me when they start talkin' money

Gon hit me up

Nigga fund start runnin' low you know how they do

They never wanna blame they self they blame it all on you

I handle my business, I can't handle yours too

They can't talk me out my fuckin' money now they wanna sue

Nigga get off yo ass you can't walk in my shoes

Back when I was in the mud nigga where the fuck was you?

Mane this game so fake, first they love you then they hate you

Rappers diss you on the tape but in the street they scared to face you

You can't trust these record labels, ain't no friends in this shit

Niggas with you 'til they do a interview then they switch

Now they got so much to say, they on twitter throwin' shade

I don't pay that shit no mind, I'm too busy getting paid

All these niggas got so much to say

Well call me when they start talkin' money

All these bitches got so much to say

Well call me when they start talkin' money

I say call me when they start talkin' money

Go on hit me up

I say call me when they start talkin' money

Gon' hit me up

All these people got so much to say

Well call me when they start talkin' money

Gon' hit me up Call me when you start calling cinash'

I was in the yellow car with binash

Young nigga but I'm bout my bidness'

You was trippin' call me when you finish

Hundred grand in just a couple minutes

Lot of girls in here you the thickest  
Brought your home girl what the deal is?  
Had to kick her out she wasn't with it  
Money on my mind, God that's my witness  
I'mma take your phone, ain't no takin' pictures  
Move like Obama so you think I'm tryna' diss ya  
Call you in the morning you'll be thankful that i hit ya  
Khalifa manAll these niggas got so much to say  
Well call me when they start talkin' money  
All these bitches got so much to say  
Well call me when they start talkin' money  
I say call me when they start talkin' money  
Go on hit me up  
I say call me when they start talkin' money  
Gon' hit me up  
All these people got so much to say  
Well call me when they start talkin' money  
Gon' hit me upFamily members all in my business and shit (fucked up)  
Always on my phone talkin' bout give me some shit  
I hear so many rumors, bitches gossipin' niggas too  
You know its fucked up when niggas actin' like bitches do  
I can't do yo show if you ain't got my deposit  
You a janky promotor don't got my check its a problem  
Niggas all on my line talkin' bout verses for free  
So many clowns its startin' to look like a circus to me  
They won't give a nigga space, tryna find out who I'm fuckin'  
Wanna know all my business, like its gonna pay em or something  
I know niggas be talkin' I know bitches be talkin'  
But I got nothing to say if you ain't makin' a offerAll these niggas got so much to say  
Well call me when they start talkin' money  
All these bitches got so much to say  
Well call me when they start talkin' money  
I say call me when they start talkin' money  
Go on hit me up  
I say call me when they start talkin' money  
Gon' hit me up  
All these people got so much to say  
Well call me when they start talkin' money  
Gon' hit me up
