Never Leave

Doug & Deb

We live our lives with doubts and fears
Through troubled times and many tears.
Life is hard, disappointments come
And through it all, I can hear You say....

He will never leave us, never leave.
He will never leave us, guaranteed.
â€˜cause Jesus said, He would never leave
And I believe Him. I believe. I believe.

He watches over His flock by night
Look to the Shepherd, our Source of Life.
Listen children and hear His voice
You can hear Him say....

He will never leave us, never leave.
He will never leave us, guaranteed.
â€˜cause Jesus said, He would never leave
And I believe Him.

Have no fear, He is with us.
Have no fear, He is with us.
Have no fear, He is with us. He is with us!

He will never leave us, never leave.
He will never leave us, guaranteed.
â€˜cause Jesus said, He would never leave
And I believe Him.

Never leave us, never leave.
Never leave us, guaranteed.
â€˜cause He is strong, thoâ€™ we are weak,
And He is here, He will never leave.

[He will never leave us] Never leave
Never leave us, guaranteed.
â€˜cause Jesus said, He would never leave
And I believe Him.
