

# That'll Be the Day

[Linda Ronstadt](#)

Well that'll be the day when you say goodbye  
That'll be the day when you make me cry  
You say you're gonna leave me  
You know it's a lie 'cause that'll be the day when I die Well that'll be the day when you say goodbye  
That'll be the day when you make me cry  
You say you're gonna leave  
You know it's a lie 'cause that'll be the day when I die Well you gave me all your loving and your turtle doving  
All your hugs and kisses and your money too  
You know you love me baby, still you tell me baby  
That someday when I'll be true Well that'll be the day when you say goodbye  
That'll be the day when you make me cry  
You say you're gonna leave me  
You know it's a lie 'cause that'll be the day when I die When Cupid shot his dart, he shot it at your heart  
So if we ever part then I'll be blue  
You kiss and hold me and you tell me boldly  
Well that someday that I'll be true Well that'll be the day when you say goodbye  
That'll be the day when you make me cry  
You say you're gonna leave me  
You know it's a lie 'cause that'll be the day when I die Ah that'll be the day  
That'll be the day  
That'll be the day  
That'll be the day when I die
