

# Come Together

## Godsmack

Here come old flat top  
He come groovin' up slowly  
    He got joo joo eyeballs  
    He one holy rollers  
He got hair down to his knee  
    Got to be a joker  
He just do what he please  
    He wear no shoeshine  
    He got toe jam football  
    He got monkey finger  
    He shoot Coca Cola  
He say I know you, you know me  
    One thing I can tell you is  
        You got to be free  
    Come together, right now  
        Over me  
        He bad production  
    He got walrus gumboot  
    He got Ono sideboard  
    He one spinal cracker  
He got feet down below his knees  
    Hold you in his armchair  
    You can feel his disease  
    Come together, right now  
        Over me  
        He roller coaster  
    He got early warning  
    He got muddy water  
        He one Mojo filter  
He say one and one and one is three  
    Got to be good looking  
    Cause he's so hard to see  
    Come together right now  
        Over me  
        Come together, yeah  
        Come together, yeah  
        Come together, yeah  
        Come together, yeah  
        Come together, yeah

Come together, yeah  
Come together, yeah  
Come together, yeah  
Come together, yeah  
Come together, yeah
