

Fire Within

Sussan Deyhim & Richard Horowitz

Take a look into the crystal
Take a look at what the future may bring
All around you is darkness
Until your shattered soul screams
As I stand before the crystal
See my life pass before me
Stand up straight, look into my eyes
Tell me, what do you see?
Is there no gold at the end of this rainbow?
Is there no hope at the end of the road?
Will there be strength for the dreams that I've lived for
Or will I just let go?
Many years have passed me by
Many trials of life I've survived
Still the head wind blows my way
It's getting harder and harder everyday
Is there no gold at the end of this rainbow?
Is there no hope at the end of the road?
Will there be strength for the dreams that I've lived for
Or will I just let go?
Is there no gold at the end of this rainbow?
Is there no hope at the end of the road?
Will there be strength for the dreams that I've lived for
Or should I just let go?
The fire within is smoldering
The waters of life are raging in
For once there was passion, desire to win
