Lilikoi

Paula Fuga

Wo-oh-oo-oh, Wo-oh-oo-oh
Sweet and sour like a lilikoi oh my joy
Like smoke rising from the fire taking me higher
I'll never ever love again
The way that I loved you my friend
I know I put it all on you
Let your thoughts determine how I feel about me too
But now I know I must be one within
Before I create my own kin
I must be strong I must rely on the father
An independent daughter needs a strong courageous mother
Oh and now I know
I see the light it's clear to me now
And now I know
Sweet and sour like a lilikoi oh my joy
Like smoke rising from the fire taking me higher
Ina mamake au e hopu i ka iÊ»a
Pono e mÄ•lama i ka loÊ»i
E piha ana i ka loko iÊ»a
Hiki no ke koho me ke pono
And now I know
I see the light its clear to me now
And now I know
Sweet and sour like a lilikoi oh my joy
