Bad Man

Bad Company

I take what I want
I take what I need, ooh yeah
I do what I like
I like what's right for me, ooh yeah
You might think that you're gonna change me
Ooh girl, don't even try
So many others tried too hard to tame me
So many others cried, I'm tellin' you baby
I'm a bad, bad man, that's what I am
I'm bad for you
I'm a bad, bad man, oh yes I am
So whatcha gonna do?
I say, what I mean
I mean what I say, ooh yeah
You should know me by now
I like my own way, ooh yeah
You might think I can't live without you
Ooh, but girl you'd be wrong
'Cause I know whatever we've got here
It won't last too long, I'm tellin' you baby
I'm a bad, bad man, that's what I am
And I'm bad for you
I'm a bad, bad man, oh yes I am
So whatcha gonna do?
You think it's just a game I'm playin'
Ooh wait 'til I begin
Just listen hard to these three words I'm sayin'
You can't win, you can't win
Ooh yeah, you might think that you're gonna change me
Oh girl, don't even try
So many others tried too hard to tame me
So many others cried, I'm tellin' you baby
I'm a bad, bad man, that's what I am
I'm bad for you
I'm a bad, bad man, oh yes I am
So whatcha gonna do? Yeah
I'm a bad, bad man, oh yes I am
So whatcha gonna do about it?
I'm a bad bad man, that's what I am

Too bad for you
