

You Broke My Heart

Alexandra Burke

Oooohhh You know that I would follow you
To the end of the Earth
And maybe I was gullible
You should have known my worth I was waiting for the time to remind you
We were in love
What I gave was so incredible
But it was never enough You took my love
And broke my heart
You took my smile
And tore it apart
You left me crying
Down on the floor
The funny thing is
I still want more
If only you loved me like I wanted you to
But you tricked me into loving you
You tore me apart
You broke my heart You charmed me with your little ways
You knew the buttons to press
And you said I was your everything
But boy you couldn't care less
And you said we'd be together forever
Now look what you've done What I gave was so incredible
But it was never enough You took my love
And broke my heart
You took my smile
And tore it apart
You left me crying
Down on the floor
The funny thing is
I still want more
If only you loved me like I wanted you to
But you tricked me into loving you
You tore me apart
You broke my heart All that I needed
was someone to hold me
And all that I wanted
was someone to show me
just what it is to be loved

And I thought that someone was youOohhhhYou took my love

And broke my heart

You took my smile

And tore it apart

You left me crying

Down on the floor

The funny thing is

I still want more

If only you loved me like I wanted you to

But you tricked me into loving you

You broke my heart

You broke my heart

You tore me apart

you broke my heart

You broke my heart
