

# Flossin'

## Kirko Bangz

Yeah  
Took time, came back  
What you doing? Flossin'  
Get the bag, get the cheque  
Run it up floss shit  
Yeah I'm back flossin'  
Young nigga flossin'  
Like this. Yeah you motherfucking right I floss  
Money dance when I walk  
40 bandz when I talk  
Got your bitch in my car  
I'm the motherfucking man what you thought?  
Thought a nigga fell off  
Finna give you niggas hell now  
I'm the one you can tell now  
Flossin' on you  
The young don that never floss again  
Yeah they said I was through  
First time innocent  
Heard it all before this ain't nothing new  
I came back flossin' on their head like I fucking always do  
It only makes sense, it only makes sense  
Yeah, do it like this for the city I'm from  
Got two girls I don't know which one  
Ima go with you for the night, yeah  
I think that both of them addicted to the lights yeah  
Mic check, one black one white yeah  
This the carter motherfucking man right here
