

Shut It (Die Krupps Remix)

The Damned

Every time I talk to you
It's plain to see it's always indecision
Plain as all the faces that you know
Always turn their back on you And every time you open
Up your mouth - shut it You're playing around with my heart
Leaving me opened up and bleeding
You laugh at me but it's plain to see
I'm not going to take this thing
You're laying down on me Why don't you open your mind
Or, shut it - shut it, shut it
Why don't you just shut it! Every time I talk to you
It's plain to see it's always indecision
Plain as all the faces that you know
Always turn their back on you And every time you open
Up your mouth - shut it, shut it, shut it
Shut it!
Why don't you just shut it! Every time you open
Up your mouth - shut it
