

Thank You, Father

[Peter Liam Holcross](#)

Thank You, Father, for what You have done:
You have given Your only Son!
You have taken the burdens away;
You will lead us to a brighter day! And I know, today, that Your love will stay,
Forevermore! Thank You, Jesus, for dying for me;
Thank You, Eternal Spirit, for bringing this to be!
Help me give You all the praise, and all the glory! Thank You, Father, for what You have done.
