

# Overrated

[Eric Bellinger](#)

When you be scrollin' through your cellphone, late at night  
We be gettin' our freak on, all night  
When you be goin' to the movies, you be frontin'  
And we be at the crib makin' movies, me and my woman  
I'm done living single  
I know I could have 'em all  
But that ain't the shit that I'm on  
I'm done living single  
Ooh in a side chick kind of world  
I'm glad I got my girl  
Cause it's overrated, overrated, overrated (Oh)  
Overrated, overrated, overrated (Oh)  
(I'm done living single)  
Overrated, overrated, overrated (Oh)  
Ooh in a side chick kind of world  
I'm glad I got my girl  
When you be checkin' in the friendzone, tryna get her  
I be on one knee in the endzone, my nigga  
When she be goin' through your caller ID, tryna see who you textin'  
My girl ain't worried 'bout me, cause she knows she the only one I'm sextin'  
I'm done living single  
I know I could have 'em all  
But that ain't the shit that I'm on  
I'm done living single  
Ooh in a side chick kind of world  
I'm glad I got my girl  
Cause it's overrated, overrated, overrated (Oh)  
Overrated, overrated, overrated (Oh)  
(I'm done living single)  
Overrated, overrated, overrated (Oh)  
Ooh in a side chick kind of world  
I'm glad I got my girl  
I could be up in the club all night baby I'd rather lay here with you  
Ain't nothin' out there but them hoes with no loyalty that's why I fuck with you  
Yeah that's why I fuck with you baby  
That's why I'm in love with you baby  
And Lord knows the sex is amazing, girl why you think you have my baby  
That's why I ain't never looking at nobody else but you baby  
That's why I don't give a damn 'bout these call on my phone

I change my number every two weeks just for you girl  
See I don't need none of them bitches  
They can have all the Louis and the Gucci too  
But you work for love, yeah you work for love  
When I come home and the dishes is put away in the kitchen  
And my clothes washed and folded up in the dresser  
I know, I know, I know that I'm doing the right thing babe  
I'm on my Spike Lee shit (Ye-ye-yeah oo-oo)  
Being single it's overrated  
The end
