

# Snakes

## No Doubt

Open the basket  
Listen to the flute play  
Open the basket  
Listen to the flute play  
Toot, toot, toot, playSnakes in the basket  
Lie to lead you astray  
Snakes in the basket  
Force to make you betray  
Your innermost truth hidden awayNow you're falling down to the underground  
As you slither down to your lair  
Hidden in the many trenches of a hopeless war  
Those who were sold out by a corporate boardCarry the casket  
Never mind the gun spray  
Bury the casket  
Pawns in someone's gameplay  
Shoot, shoot, shoot, obeyNow you're falling down to the underground  
As you slither down to your lair  
Hidden in the many trenches of a hopeless war  
Those who were sold out by a corporate boardListen to the flute play  
Listen to the flute play  
Listen to the flute playSubscription to the spreading of lies  
Soldier catches a glimpse of his demise  
Deep down inside even he knows  
Snakes come in many shapes and sizes  
Many shapes and sizes  
Snakes have no hands to be tiedConcoction of malicious lies  
Deep inside the general despises himself  
Listen to the flute play  
Another reptile in line  
Snakes without grass cannot hideNow you're falling down to the underground  
As you slither down to your lair  
Hidden in the many trenches of a hopeless war  
Those who were sold out by a corporate boardFalling down to the underground  
As you slither down to your lair  
Forked tongues spread the poison with another toxic sting  
So much pain their serpentine inhibitions bringOh, listen to the flute play  
Listen to the flute play  
Listen to the flute play  
Listen to the flute playOpen the basket

Open the basket  
Listen to the flute play  
Open the basketListen to the flute play  
Listen to the flute play  
Go ahead, listen to the flute playOpen the basket  
Open the basket
