

The Chalet Lines

Belle and Sebastian

He raped me in the chalet lines
The girl I shared with was away for the night
I couldn't get up for my shift today
I'll have to leave the camp now anyway
I'll go to London there's a mate of mine I know
She'll give me a place full of woe and further to goHe raped me in the chalet lines
I had just said no for the final time
Although it's last month it's like yesterday
I missed my time, I don't think I could stand
To take the test, I'm feeling sickFuck this, I've felt like this for a week
I'd put a knife right into his eyes my friend can't see
She asks me why I don't tell the law
Oh what's the fucking point at allHe raped me in the chalet lines
It was a party, it was going fine
With the boys from the amusement park
A few were idiots, it was a really good laughThey had the shows on till way after dark
I hope she'll give me a place full of woe and further to go
She caught the bus, oh I'll go anywhere
She caught the bus her face was just a smear on the pane
