I Don't Need You

The Pierces

He treats me fine but I could be better
You bring the wine and I read your letter
I'm on my own feeling like a liar
I'm almost home but I'm getting tiredYou never could look back
You never would look back
Because, I don't need you and you don't need me
I don't need you; you don't need meI said goodbye, but I just regret it
Let's make things right, but you'll never let itYou never could look back
You never would look back
I don't need you and you don't need me
I don't need you; you don't need meI don't need you and you don't need me
I don't need you, you don't need me
I don't need you, you don't need meI don't need you, I don't need you
I don't need you, I don't need you
I don't need you, I don't need you
