Take a Little Time

Kathryn Calder

Take a little time, take a little time to find
Drive from the rush, try to rehearse
Seeing on side by side
Watch a little change, nothing will come tonight
Trust and??? toss me in chains
To see how I still surviveTake a little time, take a little time to find
Toss me around, feeling the sound
To see what else there's to find
Watch a little change, nothing will come to mind
Though we can't breathe, we could still be
Silhouettes amplifier
And if you say the words and then I can't forget
I'll forgive you, and I'll forgive you
And when you promise all the things that never last
I'll forgive you, and I'll forgive you
And when you say there's something in the way she moves
I'll forgive you, and I'll forgive you
And when you promise all the things that never last
I'll forgive you, and I'll forgive you
How many times can I give you these things
I'll forgive you, and I'll forgive me
How many times can I give you these things
I'll forgive you, and I'll forgive me
How many times can I break away
I'll forgive you, and I'll forgive me
