

Fire On The Mountain

Hanson

We sit secure in time-honored traditions made
Never wondering where or when the sickle may come
If we don't seek our knowledge to be greater men
When the rain starts falling gonna drown before we get our feet wet
We build our ivory towers to protect us from
the flood
A fleet of vessels made of wood so they won't rust
But can we see the bottom of the bottle when we start to drink?
There's fire on the mountain fire and it's coming our way
Can we pick the pieces up
We're mending Babylon
Tryin' to right the wrong
Can we pick the pieces up
Live learn life love die dust gone
There's fire on the mountain
Can we pick the pieces
up
We're mending Babylon
Tryin' to right the wrong
Can we pick the pieces up
Live learn life love die dust gone
