My One And Only Love

Rickie Lee Jones

The very thought of you makes my heart sing
Like an April breeze on the wings of spring
And you come to me in all your splendor
My one and only loveThe shadows fall and spread their mystique charms
In the hush of night while you're in my arms
I feel your lips, so warm and tender
My one and only loveThe touch of your hand is like heaven
A heaven that I've never known
The blush of your cheek whenever I speak
Tells me that you are my ownYou fill my eager heart with such desire
Every kiss sets my soul on fire
I give myself in sweet surrender
My one and only loveThe touch of your hand is like heaven
A heaven that I've never known
The blush of your cheek whenever I speak
Tells me that you are my ownYou fill my eager heart with such desire
Every kiss sets my soul on fire
I give myself in sweet surrender
My one and only love
