

I Believe

Diamond Rio

Every now and then, soft as breath upon my skin
I feel you come back again and its like
You havent been gone a moment from my side
Like the tears were never cried
Like the hands of time are holding you and me And with all my heart Im sure, were closer than we ever were
I dont have to hear or see, Ive got all the proof I need
There are more than angels watching over me
I believe, oh, I believe Now when you die, your life goes on
It doesnt end here when youre gone
Every soul is filled with light, it never ends if Im right
Our love can even reach across eternity
I believe, oh, I believe Forever, youre a part of me
Forever, in the heart of me
I will hold you even longer if I can Oh, the people who dont see the most
See that I believe in ghosts
And if that makes me crazy, then I am
Cause I believe, oh I believe There are more than angels watching over me
I believe, oh I believe Every now and then soft as breath upon my skin
I feel you come back again
And I believe
