Well I've had my reservations
And a sense of fear
But, I can't hide my feelings
When you're sitting right here
So, if words have no meaning
To a love that is blind
Well just stop all this talkin'
And just sign on the line
(Chorus)
Sign on the line
Stop all this talkin'
And just sign on the line
We don't need permission
Let's just get to the priest
If we wait any longer
Than we'll both be deceased
Ain't gonna give you no chance to decline
We'll find a Justice of the Peace
And just sign on the line
Sign on the line
Well just sign on the line
We'll find a Justice of the Peace
And just sign on the line
I finished runnin' 'round
I'm through with all of that
Wherever you're going
That's where I'll be at
It's just one of those things
That was meant to be
You'll get dressed up real pretty
I'll get down on one knee
Well we're drivin' in the car
Draggin old tin cans
Got the roof rolled back
Gold rings on our hands

Well, here's some advice for those with doubts in their minds

Stop all that thinkin' and just sign on the line
