

Lie to You

Miggs

Something's going wrong I can feel it in my bones
Everybody's telling you you'd be better off alone
They don't really know me and I don't really care
You say life's too short for second chances
And I don't think that's fair Cause I won't ever lie to you
But that don't mean I'll always tell the truth
I've done some awful things before and I'm bound to do so many more
But I won't ever lie to you
I know an empty feeling like I know the sky is blue
But every time I try to think it all comes back to you
I never thought you'd be the one to throw it all away
Well you look to me for answers, babe, there's nothing I can say
