Hold On

Bif Naked

Baby, I'm angry, baby, I'm scared
We're livin' in a dark time and nobody cares
Baby, you're tired, life isn't fair
You are the only one who will always be there
Hold on to me, say you'll always love me
Tell me anything you want
Hold on, baby, say you'll never leave me
Promise that you will hold on
Baby, I'm sorry, I don't mean to cry
But I never needed you more than I need you tonight
Hold on to me, say you'll always love me
Tell me anything you want
Hold on, baby, say you'll never leave me
Promise that you will hold on
I am a small honey bee, I drown in the water
And you are my hand in the well, well
Hold on to me, say you'll always love me
Tell me anything you want
Hold on, baby, say you'll never leave me
Promise that you will hold on, hold on
