Stay

C21

You know I'm gonna make a try
I never wanna let it die
But this ain't right
Don't justifyYou - you`re everything I need
But sometimes we just disagree
And this is my way to proceedSilence cannot breathe on your side
But emptiness is my wound
"cause I'm in pain why can't you see I'm down
Being the one just aroundI'll stay away 'till it`s over
"cause you need to realize
It's time for me to go
Please stay away 'till it`s over
And I will clear my thoughts again
Crazy or blind
I'll stay away 'till it`s goneYou - you`re everything I want
The reason why I wrote this song
I'll be back when words are goneIf silence can`t survive on your side
Then loneliness is my pride
When I'm in pain why can`t you see I'm down
Being the one just aroundI'll stay.....You have to understand
It`s only for a while
You have to understand
This is just my style
