

# Have Mercy

## FireHouse

Looking for direction  
Got nowhere to place my loyalties  
I've stumbled and I've fallen  
My life is breaking me down like some disease I'm lost in the darkness  
Can't find the light, I can't see anymore  
I'm crying, I'm waiting  
I'm asking is there something more? Have mercy, have mercy  
In the name of God have mercy  
Please help me, please help me  
In the name of God have mercy I don't know, I don't know  
I don't know where I'm going to  
I don't know, I don't know  
Forgive me, I know not what I do Looking for the answer  
I've been asking the question I'm on my knees  
Show me, help me  
In the name of God I'm begging please Have mercy, have mercy  
In the name of God have mercy  
Please help me, please help me  
In the name of God have mercy I don't know, I don't know  
I don't know where I'm going to  
I don't know, I don't know  
Forgive me, I know not what I do I don't know, I don't know  
I don't know where I'm going to  
I don't know, I don't know  
Forgive me, I know not what I do
