## Jonas Brothers

As time was ticking we were winning  
And it all was going as planned  
Politicians stand between the lines  
Of making headlines, street signs  
Saying, you're going the wrong way, fading faster now  
You can try to break us and make us fall apart  
But the fire's in our hearts  
Reminisce on memories 'cause we're gone  
And don't forget to hold back your thoughts  
And live like robots 'cause we all know what goes on  
Reminisce on memories 'cause we're gone, we're gone, so gone  
Fallen soldiers, all around us  
But we're still standing strong  
Embarrassing and contradicting  
'Cause now we're making headlines, prime time  
Saying, what a story, Billboards, packed tours, don't forget  
You can try to break us and make us fall apart  
But the fire's in our hearts  
Reminisce on memories 'cause we're gone  
And don't forget to hold back your thoughts  
And live like robots 'cause we all know what goes on  
Reminisce on memories 'cause we're gone, we're gone, so gone  
And game over, you're done, ooh  
Out of left field, we won  
And pack our bags, yeah, we'll run  
Hollywood, here we come  
You can try to break us and make us fall apart  
But the fire's in our hearts  
Reminisce on memories 'cause we're gone  
And don't forget to hold back your thoughts  
And live like robots 'cause we all know what goes on  
Reminisce on memories 'cause we're gone, we're gone  
You can try to break us and make us fall apart  
But the fire's in our hearts  
Reminisce on memories 'cause we're gone
