

# She Can Get It (feat. Gucci Mane)

Kevin McCall

Get some bitches in the house  
Get some bitches in the house  
Get some bitches in the house  
Get some bitches in the house  
Get some bitches in the house Yeah, yeah, yeah, yeah  
She can get it  
She can get it  
Yeah, yeah, yeah, yeah  
She can get it  
She can get it  
Yeah, yeah, yeah, yeah  
She can get it  
She can get it  
Yeah I got it girl  
And I'm on tour  
And I'm coming soon  
You look kinda sore  
And that agent provocateur  
I just wanna see you drop to the floor  
Too much turn, lock the door  
What's yours is mine and what's mine is yours  
Go and I perform this CPR on your body  
All over your body, I'll kiss every inch of your body  
Just gotta tell nobody  
Nobody other than we  
Gotta know about what we do  
And we up in the dark in that hotel suite  
Sweet Jane, Imma put two to sleep  
I put that on a good babe  
I give it to you good babe  
And I put that on my hood  
duce you to some new things  
Imma put a smile on your face Get some bitches in the house  
Get some bitches in the house  
Get some bitches in the house  
Get some bitches in the house  
Yeah, yeah, yeah, yeah  
She can get it  
She can get it

Yeah, yeah, yeah, yeah  
She can get it  
She can get it  
Get some bitches in the house  
Get some bitches in the house  
Get some bitches in the house  
Get some bitches in the house  
Yeah, yeah, yeah, yeah  
She can get it  
She can get it  
Yeah, yeah, yeah, yeah  
She can get it  
She can get itShe says she wants conversation  
I said I'd rather read your body language  
Better hear the calling, you're stalling  
Trying to fight the feeling baby  
You gonna feel amazing  
Wanna put these lips on your clit  
And start licking baby  
I make you wet like it's raining  
I got you tripping baby  
It's called precipitation  
You wait and fuck right  
Till you fuck a nigger from the east side  
This came back, I'm 3 fly  
We outta here, peace onI put that on a good babe  
I give it to you good babe  
And I put that on my hood  
duce you to some new things  
Imma put a smile on your faceGet some bitches in the house  
Get some bitches in the house  
Get some bitches in the house  
Get some bitches in the house  
Yeah, yeah, yeah, yeah  
She can get it  
She can get it  
Yeah, yeah, yeah, yeah  
She can get it  
She can get it  
Get some bitches in the house  
Get some bitches in the house  
Get some bitches in the house  
Get some bitches in the house  
Yeah, yeah, yeah, yeah  
She can get it

She can get it  
Yeah, yeah, yeah, yeah  
She can get it  
She can get it Baby let me see you, echoes in the sky  
Baby let me see you, wave and set aside  
Right inside the sun  
Right inside the sun  
Put you face down  
While I get you from behind  
And do it a long time  
Lend it back, lend it back, rewind  
Dance for me lady  
So many sexy girls up in this club I put that on a good babe  
I give it to you good babe  
And I put that on my hood  
duce you to some new things  
Imma put a smile on your face
