

Connected

New Found Glory

For a while now, I've been
The quickest one to shed my skin
Forcing me to put up walls
Climbing taller every cause
Hurry down to me
Hurry down to me
Soon I'll be back from all this work
And I'll make love to you
Make love to you, we'll reconnect it
Soon I'll be back in your arms
Be back in your arms, connected
Circles in your eyes tell more
More than you have bargained for
It takes trying to rip your skin
To really know how thick it is
Hurry down to me
Hurry down to me
Soon I'll be back from all this work
And I'll make love to you
Make love to you, we'll reconnect it
Soon I'll be back in your arms
Be back in your arms, connected
Hurry down to me
Hurry down to me
Hurry down to me
Soon I'll be back from all this work
And I'll make love to you
Make love to you, we'll reconnect it
When I'm finished with all this work
I'll make it up to you
Make love to you, we'll reconnect it
Soon I'll be back in your arms, be back in
Soon I'll be back in your arms
Be back in your arms, connected
Hurry down to me
