

# Theme from the Black Hole

## Parliament

Advisory - the following lyrics contain explicit language:

A toast to the booty  
Feel that, do that  
For how else can you capture a boogie  
If you don't attack from the back  
To the rear, marchMy name is the one  
Some people call me the funk  
Here's a toast to the boogie!  
Said my name is the one  
Some people call me the funk, oh  
I'll toast to thatAnd when I find a vacant booty  
I move right in on the rump, ooh  
I'm like a camel  
Humpin' to please  
I'm up to my hump in funk, yeah  
Here's a toast to the boogieI've got jam in my legs  
And I'm ready to spread  
All around the world for the funk  
I'll toast to that  
We don't cut in  
We just butt in  
So baby, may I have this dance?Here's a toast to the boogie  
We'll funk to that  
Bottoms upI'll toast to that  
I'll toast to that  
Bottoms up!Here's a toast to the boogie  
We'll funk to that, bottoms up  
Here's a toast to the boogie  
We'll funk to that, bottoms upOww, my name is the one  
Some people call me the funk  
Here's a toast to the boogie  
Said my name is the one  
Some people call me the funk

I'll toast to that And when I find a vacant booty  
I move right in on the rump  
(Move in on the rump)  
I'm like a camel  
Double-humpin' to please  
I am up to my hump in my funk  
Here's a toast to the boogie I've got jam in my legs  
And I'm ready to spread  
All around the world for the funk  
All around the world for the funk I am Sir Nose  
D'Voidoffunk  
(Double-humpin' to please)  
And I will never dance  
Prepare to meet your end, Starchild  
For a tail is nothing but a long booty And this is a tale that I win in the end  
And I have pinned the tail on the funky  
And you shall dwell in the face of the mule forever, Starchild  
Oh, mule-mug, oh donkey-puss, Starchild Ahhhhahahaha  
Humdrum, tweedle-dee dum, Starchild  
And I have made a jackass out of the funk  
Oh, mule-mug, oh donkey-puss  
I, Sir Nose D'Voidoffunk  
Shall never dance! Yo ho, yourself, Starchild  
Where's your flash light?  
Where's your bop gun?  
Where's the Doctor, Starchild?  
Better tell the Doctor you need a house call, Starchild  
Oh, mule-mug, oh donkey-puss
