

747 (Strangers in the Night) - 2009 - Remaster

Saxon

We got a 747 coming down in the night
There's no power, there's no runway lights
Radio operator try to get a message through
Tell the flight deck New York has no lights
There's no power, what do we do?
A 747 coming down in the night
Try to get a message through

We were strangers in the night
Both on separate flights
Strangers in the night
Going nowhere
We were strangers in the night
Both on separate flights
Strangers in the night
Going nowhere

This is Scandinavian 101
Flight from Hawaii coming out of the sun
Kennedy, you should be in sight
We can't see a thing here in the night
Navigator says we're on the flight path
There's no radio, no sign of life
This is Sandinavian 101
For God's sake get the ground lights on

'Cause we were strangers in the night
Both on separate flights
Strangers in the night
Going nowhere
We were strangers in the night
Both on separate flights
Strangers in the night
Going nowhere

There's a 747 goin' into the night
There's no power, they don't know why
They've no fuel, they gotta land soon
They can't land by the light of the moon
They're overshooting, there's no guiding lights

Set a course into the night
Scandanavian 101
For God's sake get your ground lights on

We were strangers in the night
Lost on separate flights
Strangers in the night
Going nowhere

We were strangers in the night
Lost on separate flights
Strangers in the night
Going nowhere

Strangers in the night
We were strangers in the night
Strangers in the night
We were strangers in the night

Strangers in the night
Both on separate flights
Strangers in the night
Going nowhere
We were strangers in the night
Flight 101
Strangers in the night going nowhere
