

Haters

1 Girl Nation

It's been three hours
Staring at the screen
Reading every comment
And you're starting to believe That you are who they say you are
They throwing rocks
Brush it off
Work your swag
Girl, you're a star Gotcha feeling down, down
Like a rodeo clown
Your head is spinning round, round But turn that frown upside down! Haters gonna hate
Love 'em anyway
No matter what they say
Love 'em anyway! Haters gonna hate
Love 'em anyway
You can change the game
Love 'em anyway! Na na na na
Na na na na na You can change the game
Love 'em anyway! Na na na na
Na na na na na Haters gonna hate
Love 'em anyway! So what, you don't fit in
That cookie cutter
Not in the mix
Cause you're salt, not sugar You're set apart
Like a pretzel in a box of sweettarts
Yeah, I know it's hard
But you're going far
The deepest side
He loves you just the way you are When you're feeling low, low
Riding, riding solo
Spinning out of control But turn that frown upside down! Haters gonna hate
Love 'em anyway
No matter what they say
Love 'em anyway! Haters gonna hate
Love 'em anyway
You can change the game
Love 'em anyway! Na na na na
Na na na na na You can change the game
Love 'em anyway! Na na na na
Na na na na na Haters gonna hate

Love 'em anyway!If you got haters
That ain't nothing new
Everybody's taken
So you be youIf you got haters
That ain't nothing new
Even Jesus had haters
Just like youJust like youHatersJust like youOoh-Haters gonna hate
Love 'em anyway
No matter what they say
Love 'em anyway!Haters gonna hate
Love 'em anyway
You can change the game
Love 'em anyway!Na na na na
Na na na na naYou can change the game
Love 'em anyway!Na na na na
Na na na na naHaters gonna hate
Love 'em anyway!
