Thankful

Meshell Ndegeocello

just wanna be happymotherfuckers like fancy things
big houses,
big cars,
like movie stars
gotta have everything
numb myself to the sufferingjust wanna be happy
and thankful
not just
try to get through
just wanna be happy,
thankful
not just
try to get throughshould i lie
should i cheat
turn on my tv
tell me what i want,
what i need
i lose my faith sometimes
i lose my faith sometimes, yeahso much suffering for
fancy cars,
big houses,
everything
i lose my faith sometimes
i lose my faith sometimes, yeahjust want to be happy
and thankful
not just
try to get throughjust want to be happy
and thankful
just want to be happy
and thankful
try to get throughyou're all i need
lay your burden down
ease my sadness
you're all i needi lose my faith sometimes
i lose faith sometimes
just trying to get through
i lose faith sometimesyou're all i need
lay your burden down
i lose faith sometimes

you're all i need
i'm thankful
that i feel youease your sadness
you're all i need
lay your burden down
ease my sadness
you're all i need
lay my burden downi laid my burden down.
