

# Thankful

## Meshell Ndegeocello

just wanna be happymotherfuckers like fancy things  
big houses,  
big cars,  
like movie stars  
gotta have everything  
numb myself to the sufferingjust wanna be happy  
and thankful  
not just  
try to get through  
just wanna be happy,  
thankful  
not just  
try to get throughshould i lie  
should i cheat  
turn on my tv  
tell me what i want,  
what i need  
i lose my faith sometimes  
i lose my faith sometimes, yeahso much suffering for  
fancy cars,  
big houses,  
everything  
i lose my faith sometimes  
i lose my faith sometimes, yeahjust want to be happy  
and thankful  
not just  
try to get throughjust want to be happy  
and thankful  
just want to be happy  
and thankful  
try to get throughyou're all i need  
lay your burden down  
ease my sadness  
you're all i needi lose my faith sometimes  
i lose faith sometimes  
just trying to get through  
i lose faith sometimesyou're all i need  
lay your burden down  
i lose faith sometimes

you're all i need  
i'm thankful  
that i feel you ease your sadness  
you're all i need  
lay your burden down  
ease my sadness  
you're all i need  
lay my burden down i laid my burden down.
