

Deeper Love

N'fa Jones

Ooh Yeah

Come on baby

Chorus:

There's no deeper love, deeper love

Deeper love baby

Than the one I feel for you

There's no deeper love, deeper love

Deeper love baby

Every word I say is true

Trust my heart it's no lie First thing in the mornin'

Till last thing at night

You're the only thing on my mind

Ain't no doubt about it

I'm crazy for you

And there's nothin' that I won't do

To show how much I care

Cause nothing can compare

You're the one, the one for me

Believe me

(Chorus)

The moment that I saw you

The very first time

You stirred emotions deep inside

My soul's on fire, my heart's in your hands

Trust me baby, cause I'm your man

Till the end of time, I'll love you till I die

You're the one, the one for me

Believe me

(Chorus)

Movin' closer

Wanna feel your body next to mine

All night it's so right

Hold on tight let's do it over and over again

Ooh, I'll show how much I care

Cause nothing can compare

You're the one, the one for me

Believe me

(Chorus)
