Here I am and I'm back again

To New York City
With your number one I'm going to Boston, ow
I'm going to Buffalo
Straight down the road
Gonna stop in Cleveland, Ohio Gonna go to your
Next door neighbor
I'm gonna mashed potatoes
In Detroit
I'm gonna swing right on
Down the freeway
Doing the mashed potatoes
Gonna stop in Chicago
And St. Louis, Missouri Going way over on the other side
And stop in Memphis, Tennessee
While I'm in neighborhood
I'm gonna stop in Nashville too My old good old place
Where everybody's having
A mighty good time

Where the cowboys stay
Of course you know I'm
Talking about Dallas, Texas
And I want you to know I've got
Houston, Texas on my mind
Now any of these places I called
And I missed your town
I just want you to know

And Norfolk, Virginia too San Francisco
