For Everything

Natives

Just so you know, I don't want to be here anymore.
I'm tired and bored of picking broken pieces off the floor.I wish I knew the consequence of this before I did.
I wish I know how everything would end before it did.So please, I'm down on my knees.
I need you to forgive me for everything.I let you go, but wishing everyday I still had hold.
I've lost it all, and everything I had is gone for good.'Cos I liked it more before I admitted I was wrong.
I miss that feeling, do you miss that feeling?
