Everything Changes

Jessie Mueller

Today's a day like any other
But I am changed
I am a mother
Oh in an instant
And who I was has disappeared
It doesn't matter, now you're here
So innocent
I was lost for you to find
And now I'm yours and you are mine
Two tiny hands, a pair of eyes
An unsung melody is mine for safekeeping
And I will guard it with my life
I'd hang the moon for it to shine on her sleeping
Starting here and starting now
I can feel the heart of howEverything changesI didn't know, but now I see
Sometimes what is, is meant to be
You saved me
My blurry lines, my messy life
Come into focus in a tied, maybe
I can heal and I can breathe
'Cause I can feel myself believe
That everything changes
My heart's at the wheel now
And all my mistakes
They make sense when I turn them around
Everything changes
What I thought was so permanent fades
In the blink of an eye
There's a new life in front of my face
And I know in due time every right thing will find its right place
So I swear I'll remember to say we were both born today
Cause everything's changed
Everything changes.
