

Ga Ga

The Delmontes

I don't want your adoration
Don't want your train stoppin' at my station
You hurt me and I'm grateful
I never ever felt anything strangerGa ga, crazy
Foolish for wanting you
Stupid cupid
He's a drag, he's not like you
And people say that it's insane
We love to feel the pain
And it hurts, yes, it hurts, let it hurtI don't want emotional hassle
I just want another bite of the apple
Dark thoughts need satisfaction
We're gonna crash, let's make it happenGa ga, crazy
Foolish for wanting you
Stupid cupid
He's a drag, he's not like you
People say that it's insane
We always go for pain
And it hurts, yes it hurts, let it hurtThis will never be over
And you will always be mine
You've gotta feed my hunger, baby
I am ready to dineGa ga, crazy
Foolish for wanting you
Stupid cupid
He's a drag, he's not like youGa ga, crazy
Foolish for wanting you
Stupid cupid
He's a drag, he's not like youGa ga, crazy
Foolish for wanting you
Ga ga, crazy
Foolish for wanting youAnd it hurts, and it hurts, let it hurt
And it hurts, and it hurts, let it hurt
And it hurts, and it hurts, let it hurt
