

# Love Feels Like (feat. DC Talk)

[tobyMac](#)

I am tired, I am drained  
But the fight in me remains  
I am weary, I am worn  
Like Iâ€™ve never been before

This is harder than I thought  
Harder than I thought itâ€™d be  
Harder than I thought  
Takinâ€™ every part of me  
Harder than I thought  
So much harder than I thought itâ€™d be  
But emptyâ€™s never felt so full

This is what love (this is what love)  
This is what love  
Feels like  
This is what love (this is what love)  
This is what love  
Feels like

Poured out, used up, still givinâ€™,  
stretching me out to the end of my limits  
This is what love (this is what love)  
This is what real love  
Feels like

This is what love feels like poured out,  
used up still willinâ€™ to fight for it  
This is what love feels like  
Yeah, this is what it feels like

Like floating confetti  
The beautiful gets messy  
When the fall out finds the floor  
But in the depths of the trenches  
Is the richest of riches  
Love is calling us to more

This is what love (this is what love)  
This is what love  
Feels like  
This is what love (this is what love)

This is what love  
Feels like  
Poured out, used up, still givin' it,  
stretching me out to the end of my limits  
This is what love (this is what love)  
This is what real love  
Feels like  
This is what love feels like poured out,  
used up still willin' to fight for it  
This is what love feels like  
Yeah, this is what it feels like

And now these three remain  
Faith, hope and love  
But the greatest of these is love

It's worth everything you put in  
Everything you put in...  
Love  
This is what it feels like

Poured out, used up, still givin' it,  
stretching me out to the end of my limits

This is what love (this is what love)  
Feels like  
This is what love (this is what love)  
This is what love  
Feels like  
This is what love (this is what love)  
Feels like  
This is what love (this is what love)  
This is what love  
Feels like

This is what love (this is what love)  
Feels like

Poured out, used up, still givin' it,  
Poured out, used up, still givin' it,  
Poured out, used up, still givin' it,  
stretching me out to the end of my limits
