I heard you wanna fuck on a dope boy
 And that ex man was a rogue boy
 Bitch!
You better bury that nigga
 Bury that nigga
Must've killed that nigga
 'Cause I be in the trap
 Where the birds at
Treat the pussy like a pound
 I'mma serve that
When I pull the shovel out
 I'm tryna bury that
And I'mma kill the pussy
 Yeah, murder that
 Ok, I reloaded
So you know a nigga love that
Spriggle, spriggle then return it
Then I fuck her 'til the morning
 Staying in it 'til the sunrise
I eat the pussy from the side
 LunchtimeMALUCA:
 Bury me, bury me
 Do what you want

Don't dirty me
Do what you want
Don't dirty me
