## Onward To Olympas

Help me, I can't get out,  
I live my life not knowing what it's about,  
Just stains of guilt on my mind  
Heaven's what I want to find.  
This is now, that was then  
I want to be born again.(Oh!)The darkness came,  
The light fought through,  
Mercy is all  
I ask of you.Father, Father, please set me free,  
From my misery.I will be with youIn the beginning, I used to believe  
That you were no saviour, but I was naive.  
You were a stranger that I couldn't see.  
Now I'm in danger; please set me free.Resurrected  
We've been toldLead us not into temptation  
But deliver us from evil  
Pray for us, sinners now,  
And at the hour of our death,  
Save us.Where would I be,  
Without you standing next to me?  
I am the lock and you are the key  
Release me from my,  
Release me from my  
Insanity.
