

# Bounce (ft. N.O.R.E.)

## MSTRKRFT

All I do is party ha ha ha ha  
All I do is party ha ha ha ha  
So bounce low, bounce low  
Bounce high, bounce high  
All I do is party ha ha ha ha  
All I do is party ha ha ha ha  
So bounce low, bounce low  
Bounce high, bounce high

All I do is party ha ha ha yo See all I do, drink my groove, get high too.  
I'll get high too.

Yes I like what you like, good lesbian,  
Don't call her dike, nope!  
She just bounced, she comes over,  
Neptune style, she ain't sober  
She roll over, keep composer  
Chip on her shoulder, been done colder  
That ain't good, keep it hood  
Sell your soul with a break in the wood  
She just bucked, keep in the club

Ride her rough, ride a dub All I do is party ha ha ha ha  
All I do is party ha ha ha ha  
So bounce low, bounce low  
Bounce high, bounce high  
All I do is party ha ha ha ha  
All I do is party ha ha ha ha  
So bounce low, bounce low  
Bounce high, bounce high

All I do is party ha ha ha Shes poppin' shit, poppin' it, poppin' this, poppin' it  
She be good, know I'm hood  
Overseas Tim Westwood  
Ha ha ha it ain't ghost  
Roll in the whip, don't move my spokes  
Mstrkrft, Master Paul  
N.O.R.E. we don't fall  
We just ball, always poppin'  
Beat the case Johnny Cochran  
Mstrkrft, Master Paul, N.O.R.E. we don't fall
