

National Anthem

Lana Del Rey

[intro]Money is the anthem?of success

So before we go out

What's your address?

[lana del rey]I'm your national anthem

God, you're so handsome

Take me to the hamptons

Bugatti Veyron

He loves to romance them

Reckless abandon

Holding me for ransom

Upper echelon

He says to be cool but

I don't know how yet

Wind in my hair

Hand on the back of my neck

I said, 'can we party later on?'

He said, 'yes, yes, yes'

[chorus]Tell me i'm your national anthem

(ooooh, yeah, baby, bow down

making me so wow, wow)

Tell me i'm your national anthem

(sugar, sugar, how now

take your body down town)

Red, white, blue's in the skies

Summer's in the air and

Baby, heaven's in your eyes

I'm your national anthem

[lana del rey]Money is the reason

We exist

Everybody knows it, it's a fact

Kiss, kiss

I sing the national anthem

While i'm standing over your body

Hold you like a python

And you can't keep your hands off me

Or your pants on

See what you've done to me

King of Chevron

You said to 'be cool' but

I'm already coolest
I said to 'get real'
Don't you know who you're dealing with?
Um, do you think you'll buy me lots of diamonds?
[chorus] Tell me i'm your national anthem

(oooooh, yeah, baby, bow down
making me so wow, wow)
Tell me i'm your national anthem
(sugar, sugar, how now
take your body down town)
Red, white, blue's in the skies
Summer's in the air and
Baby, heaven's in your eyes
I'm your national anthem
[bridge] It's a love story for the new age
For the six page
We're on a quick sick rampage
Wining and dining
Drinkin' and drivin'
Excessive buyin'
Overdosin', dying
On our drugs and our love
And our dreams and our age
Blurring the lines between real and the fake
Dark and lonely
I need somebody to hold me
He will do very well
I can tell, I can tell
Keep me safe in his bell tower, hotel
Money is the anthem of success
So put on mascara, and your party dress
I'm your national anthem
Boy, put your hands up
Give me a standing ovation
Boy, you is landed
Babe, in the land of
Sweetness and danger
Queen of saigon
[chorus] Tell me i'm your national anthem
Ooh, yeah, baby, bow down
Making me so wow, wow
Tell me i'm your national anthem
Sugar, sugar, how now
Take your body down town

Red, white, blue's in the skies
Summer's in the air and
Baby, heaven's in your eyes
I'm your national anthem
[outro]Money is the anthem
God, you're so handsome
Money is the anthem
Of success
