

Keepin The Faith

De La Soul

Jody got a cat but she won't let it out
Oh, tough luck, 'cause it makes Jack pout
Waiting on the wins he moves to the next
Searching for the cheese, looking for the text
In the Big Blue, in search of the skins
Grinning and laughing, laughing and grinning
Padlock Jody got the whole scene played
No knockin' boots till she's 14K'd
Diamond in the back, sunroof top
Waiting for the credit card so she can go and shop
Jack plays the back, just knockin' other socks
'Cause now in the hood he's 'Johnny The Fox'
Till one ring came, Jody blew a spark
Found about Jody round the corner in the park
Flipping like a dipstick, hip to the news
Practicing the range, bellowing the blues
Jack rolls the carpet in, swift like a skate
Yo, Jody, yo, gotta go, got a date
Padlock Jody's screaming, "Wait, wait, wait"
"Don't worry, hon," he replies, "I'm keepin' the faith"
I'll never do the baseball with you again
Yo, I'll never do the baseball with you
'Cause your hoochie-coo was so smooth
Was it such a sin to let, let me in?
Hooked by your ever-so-shyness
Want that bush, heard you're from Flatbush
Ran after ya, caught ya
Brought ya to Long Island, stylin' for a while
In my hut, I was on a cut for a peck, a silly Greg Peck
You tried to play me new, Plug One you disconnect
I'd try to touch your hair, you would say no
Yo, I'd try to touch your hair, you would say no
Is it 'cause you want my financial flaunt?
First you gotta please me, nice and easy
But I guess you want that in reverse
So I stand Plug First can see
We got a serious block
Turn the other way, ooh, what do I spot?
A hoopin' Hey Love whose scent left a trace
Had a stash in her pocket with a body that's safe
Ball to the eight, now you wanna swing?
Forget the rap, yo, Black Sheep, sing
You're banned, you're banned
You're banned, honey dip, you're banned
You're banned, you're banned
Ya banned by the preacher man
You played yourself a stew
Now to me you step, never mind love
The faith is being kept
Now remember 'bout Padlock Jody, here's the fact
Jack little wick but she was acting wack
Jack wanna lay but laying ain't exact

For the past four or five she was banned by the packHip to the witness, putting on a plan

 No money, no more Puddy Tat for the man

 Jack knows that honey means playing a game

Only wanna bowl, got nabbed for the fame, goddamnSam was the man that you planned to command

 Nothing new about a neighborhood

 You know what? Padlock Jody wanna cut

Jack's thinking cap, make mine into a packYo, here's twenty, forty, sixty, pay me back

 Conscience appears, "Yo Jack, what you doing?"

 You play the cold while honey here's cooling?

 You don't have to if you don't want to

You don't have to if you don't want to" So he begins with the ring, ring, ring

 "Hey, Judy girl, how ya doin'

Seen you with another man, what you doing, screwing?

 Ooh, shame on you, what, you can't wait

For the big bait, well, I'm ma tell you straight

 Honey child, I'm keepin' the faith"
