Wishing On A Star

Seal

I'm wishing on a star
To follow where you are
I'm wishing on a dream
To follow what it means
I'm wishing on a star
To follow where you are
I'm wishing on a dream
To follow what it means
And I'm wishing on the rainbows that I've seen
I'm wishing on the people who really dream
And I'm wishing on tomorrow, praying it'll comes
And I'm wishing on all the loving we've ever done
No, I never thought I'd see
A time when you would be
So far away from home
So far away from me
Just think of all the moments that we'd spent
I just can't let you go, for me you were meant
And I didn't mean to hurt you, but I know
That in the game of love you reap what you sow
I feel it's time we should make up, baby
I feel it's time for us to get back together

And make the best of things, oh baby
When we're together, whether or never
I feel it's time we should make up, baby
I feel it's time for us to get back together
And make the best of things, oh baby
When we're together, whether or never, oh
I'm wishing on a star
To follow where you are
I'm wishing on a dream
To follow what it means
And I'm wishing on the rainbows that I've seen
I'm wishing on the people who've ever been
And I'm hoping on all the days to come and days to go
I'm hoping on days of loving you so
I'm wishing on a star
To follow where you are

I'm wishing on a star, oh, oh
And I'm wishing on all the rainbows that I see
I'm wishing on a star
To follow where you are
I'm wishing on a dream, baby
And I'm following all the rainbows that I see
