

Noah's Dove (Demo Version)

10,000 Maniacs

You must be leaving
You win a prize for that
For telling lies like that
So well that I believed it
And never felt cheated You were the chosen one
The pure eyes of Noah's dove
Choir boys and angels
Stole your lips and your halo In your reckless mind
You act as if you've got more lives
In your reckless eyes
You only have time and your love of danger
To it your no stranger In that August breeze
Of those forgotten trees
Your time was set for leaving
Come a colder season In your reckless mind
You act as if you've got more lives
In your reckless eyes
It's never too late for a chance to seize some
Final breath of freedom
Very, so very wise Don't reveal it
I'm tired, tired of knowing
Where it is you're going In your reckless mind
You act as if you've got more lives
In your reckless eyes
You only have time and your love of danger
To it you're no stranger In your reckless mind
You act as if you've got more lives
In your reckless eyes
It's never too late for a chance to seize
Some final breath of freedom
