

# Couch Slouch

[Dri](#)

Home from school and here to stay  
I'll take it easy again today  
Ain't gonna work, don't need no pay Couch Slouch  
Fuck Off My mom don't like the way I live  
She says I take but I don't give  
My dad can't stand the way I am  
He says, "Damn it, just get up man" Couch Slouch  
You Suck
