

# Something To Brag About

## Tammy Wynette

I've got a real important job  
In a large office buildin'  
Ridin' people in an elevatorI drive a '57 Chevrolet  
With busted tail lights  
Burned out valves  
And a leaky radiatorI wear a twenty dollar suit  
I bought from J.C. Penney's  
Back in 1962But I've got somethin' to brag about  
Somethin' to brag about  
Somethin' to brag about in youI'm a short-order cook  
At an all night cafe  
Down on 18th Avenue and 12th StreetI wear a swingin' mini-dress  
That I made for myself  
From Mama's kitchen curtains  
And old bed sheetsI've got 17 pages  
Of Top Value stamps  
And one old pair of shoesBut I've got somethin' to brag about  
Somethin' to brag about  
Somethin' to brag about in youWhen you're with the fellas, I know  
You start braggin' 'bout  
My hourglass figure  
And my big brown eyesTell 'em, you tell your girlfriends  
'Bout my sweet, sweet lovin'  
And that's one better than  
Money can't buySo, let's get married  
In the not-to-distant future  
We'll rent a little flat  
On 29th StreetYou know, we'll hang our washin'  
On the clothes line from the window  
We'll feast on cornbread  
Butter beans and lunch meatWe won't have a thermostat  
A big long Cadillac  
But we'll have a love that's trueLove has somethin' to brag about  
Yeah and I'll have, somethin' to brag about  
Yeah, somthin' to brag about in you
